

Molecule of the Month

Synthesis Club

Org. Lett. **2004**, 6, 4327

Friday August 4th
12:30 pm
356 Crellin

Please bring your retro/forward ideas to the meeting, with emphasis on generating key disconnections and ideas for key steps. Do not work out a complete retro and forward; this exercise is meant to generate ideas, not dwell on protecting group issues. Individuals or groups of two are welcome. *Please bring photocopies (for others) and make overheads of your ideas.*
